Biography

I was born in 1979 in Alicante (Spain) where I attended a french school.

From 2002 to 2008 I studied Visual Communication at the University of the Arts (UdK) in Berlin, Germany. During my studies in Berlin I specialized in Illustration, also in Paris where I studied for 5 months at the École Nationale Supérieure des Arts Décoratifs in 2006.

Together with the illustrators Till Hafenbrak and Paul Paetzel I founded "Édition Biografiktion" in 2008.

Since my graduation I work as a freelance Illustrator based in Berlin.
