Art 43 Basel

Art Feature: 20 gallery-curated projects

The Art Feature sector at Art Basel focuses on curatorial projects presented by galleries. With 19 out of the 20 selected exhibitors not having shown in Art Feature last year, the sector's dynamic selection ensures a fresh mix of galleries and thus continues as a space for the discovery of new talent. Chosen from over 200 applications, this year's sector includes galleries from Brazil, China, Europe, South Africa, and the United States. The projects promise strong solo presentations and compelling juxtapositions. Artists representing different cultural backgrounds, generations, and artistic approaches will be on show, including Giorgio de Chirico, Melvin Edwards, Meschac Gaba, Thilo Heinzmann, Ernst Ludwig Kirchner, André Masson, Cady Noland, Nick Relph, Rodrigo Torres, and Zhang Peili.
